Committed Christians Working to End the Abortion Holocaust

I am often asked what would be the campaigns Wilberforce would be fighting if he were alive...at the top of the list would be the issue of **abortion.**

You may choose to look the other way but you can never say again that you did not know.

OUR LIVES BEGIN TO END THE DAY WE BECOME **SILENT** ABOUT THINGS THAT MATTER

“Abortion and racism are evil twins, born of the same lie. Where racism now hides its face in public, abortion is accomplishing the goals of which racism only once dreamed.” **Dr. Alveda King, niece of Dr.M.L. King**

Who Will Speak and Act for Them?

Proverbs 31:8 NKJ

From Bud's Heart: Here in the Sacramento/Placer Co. areas we have just experienced a celebrated march in Sacramento led by prominent local pastors in remembrance of the life of Dr. Martin Luther King Jr., and rightly so. He is one who's "Letter from the Birmingham Jail" has inspired me. I know, he had his own failings which history records. Some called him a Communist. Like King David, he probably was an adulterer, but God used him in the midst of his sin. He gave his life standing and speaking for justice for the people who looked like him. I believe that if alive today, he would be willing to give his life to stand, speak and act publicly on behalf of the little babies in the womb, killed weekly in our communities. His niece, Alveda, seen above has it right. The great grandson of Wilberforce, also quoted above agrees. We can rejoice that even in our sin, we can be used to promote justice for all.

DO NOT STAND FOR THE APPALING SILENCE OF THE MAJORITY – MLK Jr.

But what about the good pastors, mine included and many more who I know personally, who have not announced any intention to speak, march, or do anything on behalf of the voiceless during this month of the sanctity of human life? What will they tell the Lord when asked why they did not speak and act? Pastor Bonhoeffer has it right in his quotes above. This man was hung by Hitler because Hitler did not like his message and pastor's effort to end the life of this German dictator who had embraced the theories of Margaret Sanger, founder of Planned Parenthood. Pray for these silent pastors, serve in your church, but be obedient and do not fear to confront them with grace and truth over their silence which is sin and contributes to the American holocaust.

WHAT ARE WE AT SOHLNET UP TO IN THE COMING MONTHS? SACRAMENTO MEMORIAL GARDEN AT NEW HOPE CHURCH

2016 wow! Our team is beginning our 25th year as an all-volunteer unapologetically Christian prolife organization founded in 1993, incorporated in 1994. Our vision statement has remained: “To make abortion unthinkable first in the church and then in the community.”

One of our success stories took place at New Hope Christian Fellowship where Pastor Jeff Axtell and his leadership team invited us to present “Making Abortion Unthinkable” to his church. Pastor attended and has told us that our presentation really opened his eyes to the reality of the abortion issue. Pastor Jeff and a number of his team and congregants came out to American River College with us as we did a Project Truth on the campus. Pastor Jeff’s transformation led to allowing SohlNet co-founder John Ficker to take the pulpit for a Sunday service. Pastor and SohlNet board member Art Derby then began discussing the possibility of a memorial garden on the grounds of the church. A team of volunteers from multiple congregations was assembled and with God’s grace and the prayers and financial help of many, tomorrow, Jan. 22 on the anniversary of the detested Roe vs. Wade decision, the first

shovel in the project will go into the ground. Praise the Lord for a real pastoral voice for life, Jeff Axtell. The view at left is a proposal.

The Memorial Garden of Sacramento, CA is here to provide a peaceful, quiet, natural and conducive environment for meditation, reflection and prayer for those remembering the unborn children.

The garden is designed to provide privacy and a safe place for those visiting to grieve and find peace after their loss. We also offer a place of solace for

memorial services and for placing permanent physical markers to remember the unborn love ones.

Please visit the memorial web page at <http://sacunbornmemorial.org> for complete information.
