Committed Christians Working to End the Abortion Holocaust

From Bud's Heart: "SEXUAL JIHADISM" Running Rampant in America. Will the Christian Church in America Awaken and Become Salt and Light in Exposing and Opposing this Rampage?

I recently viewed an online video of a local Sacramento pastor sharing with his congregation his thoughts concerning the then recent decision of the U.S. Supreme Court (SCOTUS) concerning same sex marriage. Pastor Scott Hagan spoke a refreshingly clear message to his flock at Real Life Church concerning the Court's decision, identifying the decision as part of the on-going sexual jihad in America. https://www.youtube.com/watch?v=rB1o_fjgQ3w The NY Times screamed with apparent glee the following: *"In a long-sought victory for the gay rights movement, the Supreme ruled by a 5-to-4 vote on Friday that the Constitution guarantees a right to same-sex marriage."*

HUMANIST MANIFESTO ONE

Merriam Webster gives this as the second definition in the full meaning of JIHAD: *"A crusade for a principle or belief."* <http://www.merriam-webster.com/dictionary/jihad> For more than a half of century a crusade by Humanists (believing there is no God or God given values) in America has openly and formally declared their beliefs in seeing and promoting a Godless world and America. In 1933 they issued the "Humanist Manifesto One," signed by a bevy of intellectuals, atheists, Unitarian pastors, and religion professors. Prominent among them John Dewey, often credited with establishing the philosophies of modern public education. The Manifesto proclaims 15 points of its philosophies and desires for change in America. *Point 5 reads:*

"FIFTH: Humanism asserts that the nature of the universe depicted by modern science makes unacceptable any supernatural or cosmic guarantees of human values. [http://americanhumanist.org/Humanist_Manifesto_I](http://americanhumanist.org/Humanism/Humanist_Manifesto_I)

No observant American doubts that these folks have greatly succeeded in imposing their desire to see Christian beliefs and practices banished from our schools, courts, public displays and businesses. We now see these people using the threat of force to impose their dogmas on all of us. Most recently President Obama dictated that little boys and girls must share the same bath and locker rooms in public schools throughout our land. Any resistance will be punished.

HUMANIST MANIFESTO TWO (HM2) - 1973 ...40 YEARS LATER

Apparently by 1973 the erasing of Christianity and sexual moral constraints were not moving along fast enough for the cultural jihadist quoted above. HM2 cites 17 points of belief and desires for radical change in the world. Although the term "jihad" is never used by the manifesto, no doubt all of the signers to it would find no problem calling it "a crusade for a principle or belief." Under the portion titled "The Individual" point 6 says: **"In the area of sexuality, we believe that intolerant attitudes, often cultivated by orthodox religions and puritanical cultures, unduly repress sexual conduct. The right to birth control, abortion, and divorce should be recognized."** (My underline) Prominent among the signers and endorsers whom you will probably recognize, Alan F. Guttmacher, President (then), Planned Parenthood Federation of America and Julian Huxley, former head of UNESCO. Amazingly, signed and endorsed in 1973 the very year that child killing was legalized in America by 7 judges in black robes. The results of sexual jihadism, 60 million infants "legally" murdered plus the defilements to women, marriages and the nation that accompany child killing.

DEMOCRAT PARTY SEXUAL JIHADISM

The Democrat party of Truman and Kennedy evaporated as Leftists and Progressives took control of the party and began electing national, state and local men and women to office. They all began to sing the same song. Unbridled and free access to abortion. Millions of tax dollars to Planned Parenthood. Millions of dollars to support overseas nations for abortion. Free

government supplied condoms. Forced compliance by private and religious organizations to supply abortifacients to employees. Same sex marriage being honorable and a Constitutional right. Most recently, mandated and enforced decrees that will put little boys and girls in the same bath and locker rooms. YIKES!! So, if you are not disturbed by this on-going jihad, you will probably feel at home voting with the Democrats.

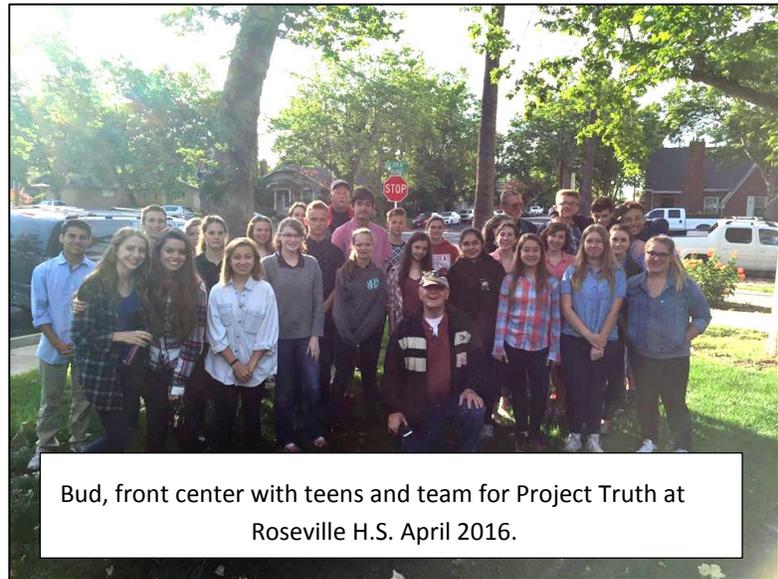

POLITICAL CHANGE MAY HELP BUT GOD EQUIPPED THE CHURCH, NOT THE POLITICIANS TO CONFRONT THE GATES OF HELL

Those of you who have been reading these pages over the years know that I have tried to gracefully move our Christian pastors and the church to believe the scripture quoted at left (Mt. 16:18).

Therefore I will not be redundant but refer you to some of my prior newsletters at www.sohlnet.org For those of you who have been faithful in prayer for your pastors and the church...hurrah! For those of you who have primarily placed your faith in seeing the solutions to our moral freefall in America with politicians, you may find some relief. But I believe the cancers of moral and sexual jihadism in our land will only be stopped or rolled back by a triumphant church which has repented of being silent and politically correct and has without compromise, embraced the prescriptions of King Jesus, led by and in the power of the Holy Spirit, with ears open to the Father's will. Pastor Scott Hagan, cited above, has placed a stake in the ground saying that if even his church empties out, he will not perform a same sex marriage. Joining Pastor Scott, this ministry with God's help will continue to be gentle warriors at the gates and in the recovery rooms. Please pray for us.

WE ARE TRAINING TEENS TO BE SALT AND LIGHT ON THE SIDEWALKS OF AREA HIGH SCHOOLS

For more than 20 years this ministry has trained and given real life experience to teens and youths regarding Christian character and being salt and light in their communities. Our high school project, led by John Ficker, passes out thousands of high quality brochures concerning abstinence, moral purity and the issues surrounding abortion to high school students as they walk on the public sidewalks to school. Thanks to all of the participating parents of these teens who know the value of this ministry. Thanks to all of you who support us with prayers and donations.

SOHLNET SUPPORTER ISSUES \$5,000.00 MATCHING CHALLENGE TO OUR READERS FOR VAN PURCHASE

In previous issues we advised that our old Plymouth passenger van finally gave up the ghost and repairs needed would not have been economically feasible. One of our longtime supporters called me recently and asked how the van replacement issue was coming along. I advised that we had previously received and saved around 5K for a replacement but needed a total of 12-15 K for a lower mileage gently used van as seen at left. Our supporter then advised that he would match new contributions to the amount of 5K. I put that out on email and Facebook and so far we have received \$1350.00. PTL. If you can help, please advise me ASAP. **The challenge ends absolutely on June 15 as our benefactor will be leaving the country during an adoption process.** If you can help, please call me at 916 261-3421 or email at harbud@surewest.net . We do not want to miss the deadline. You may send checks marked "van" to our Fair Oaks address or via PayPal at www.sohlnet.org. Thanks so much.
